

Come On Sister Acoustic
High Flight Society

I kinda plucked this out by ear but I m pretty sure it s right.
All of the blemishes are pretty easy to figure out once you have the base chords.

Tuning: Half step down (D# G# C# F# A# D#)

E (022100)
Esus (079900)
F#msus (09(11)(11)00)
C#msus (046600)
Bsus (024400)
A2 (002200)

Esus
I see youâ€™re digging yourself a hole
F#msus
If you would open up your eyes
Esus
You would see your life is being controlled
F#msus
By the deceit and all itâ€™s lies
C#msus
And I donâ€™t have to tell you
Esus
You know this is all wrong
C#msus
And I know you feel it, it shows
Bsus
Youâ€™re not where you belong

E
Come on sister
A2
Come back home
C#msus **Bsus**
You know youâ€™ve been running
E
For far too long

Esus - F#msus

Esus
I know you feel youâ€™re in this alone
F#msus
That youâ€™ve got no one on your side
Esus

Well you would know that weâ€™ve erased your every wrong

F#msus

But youâ€™ve let affliction strike you blind

C#msus

And I donâ€™t have to tell you

Esus

You know this is all wrong

C#msus

And I know you feel it, it shows

Bsus

Youâ€™re not where you belong
