Lately I ve been thinking

About the things that we ve been through

And I don t know if I d be here,

If not for you

A

I had to take a little time

To try to work things out

And you should know that

I have never meant

To let you down

[Both]

[Chorus]

Cause I, I

Wanna tell you that I m sorry

And I, I

Even when I m not giving enough

And I m taking too much
You re still there for me
Even when I got nothing at all
And I m ready to fall
You re still there for me
There for me
There for me
A A A A
Even when I can t be there for you
You re always there for me

[Vanessa]
Sometimes I know I can be
So hard to understand (It s ok)
Even when I m lost
You show me who I really am
Life with me hasn t always been an easy ride
But because of you I ve learned
To lose my selfish pride

[Both]
[Chorus]
Cause I, I
Wannna tell you that I m sorry
And I, I
Even when I m not giving enough
And I m taking too much
