Still There For Me High School Musical 3

A A

Lately I ve been thinking
About the things that we ve been through
And I don t know if I d be here,
If not for you

Α

I had to take a little time
To try to work things out
And you should know that
I have never meant
To let you down

[Both]

[Chorus]

Cause I, I

Wannna tell you that I m sorry

And I, I

Even when I m not giving enough

And I m taking too much

You re still there for me

Even when I got nothing at all

And I m ready to fall

You re still there for me

There for me

There for me

A A

Even when I can t be there for you You re always there for me

[Vanessa]

Sometimes I know I can be So hard to understand (It s ok)

Even when I m lost

You show me who I really am

Life with me hasn t always been an easy ride

But because of you I ve learned

To lose my selfish pride

[Both]

[Chorus]

Cause I, I

Wannna tell you that I m sorry

And I, I

Even when I m not giving enough

And I m taking too much
