Never Took Her Dancing
High Valley

[Intro]
Bb   Dm   C
Bb   Dm   C

[Verse]
   F   **C**
He showed up for work
             Dm   **Bb**
And he Brought home his pay cheque
     F   **C**
He dressed up for church
      Dm   **Bb**
And sang rock of ages
   F   **C**
Built her a house
      Dm   **Bb**
And bought her a piano
       C
One summer he took her
       C
Way out to Montana

[Chorus]
                                       Bb   **Dm**   **C**
But he never took her dancing
                   Bb   **Dm**   **C**
No he never took her dancing

[Verse]
   F   **C**
He kept the cars running
             Dm   **Bb**
And the lawn mower mowing
   F   **C**
The bread on the table
         Dm   **Bb**
While the children were growing
   F   **C**
and planted her roses
       Dm   **Bb**
and mended the fences
     C
went back to her family
     C
reunions in Texas

[Chorus]

```
                                       Bb                  Dm          C
But he never took her dancing
                    Bb            Dm        C
No he never took her dancing

[Bridge]
          Bb
Oh he worked and he worried
      C
He hustled and hurried
         Bb                                  C
But he never saw time a€™ running out
             Bb
Those years they kept passing
       C
One day she quit asking
        Dm       C                    Bb                   C
The only regret he has now

[Chorus]
                        Bb              Dm          C
Is he never took her dancing
                        Bb              Dm          C
No he never took her dancing

[Instrumental Break]
Bb                 Dm           C
Bb                 Dm           C

[Verse]
        F                           C
He drove her to town
                Dm                          Bb
While her hair was fraying
        F                           C
when the lord came to take her
                Dm                          Bb
he was by her side praying
        F                           C
later that winter
                Dm                          Bb
he went looking for some pictures
          C
found an old box
          C
of new ballroom slippers

[Interlude]
                Bb                  Dm          C
(Instrumental Bar)
                Bb                  Dm          C
No he never took her dancing
                Bb                  Dm          C
```

(Instrumental Bar)

[Bridge]
        Bb
Oh he worked and he worried
    C
He hustled and hurried
      Bb   **C**
But he never saw time a€™ running out
         Bb
Those years they kept passing
    C
One day she quit asking
    Dm   **C**   **Bb**   **C**
The only regret he has now

[Chorus]
                     Bb   **Dm**   **C**
Is he never took her dancing
                     Bb   **Dm**   **C**
No he never took her dancing
