

On The Combine
High Valley

E
John Deere lunch kid and a thermos full of cool aid

A
September harvest and I missed another school day

C#m B A
14 hours worth of work and dirt and there were lessons learned

E A
Waste deep in those fields of gold seven tons of steel and a twelve year old

C#m B A E
Working hard just to keep it in a straight line, on the Combine

E
Hand me down overalls and an a.m. radio

A
Tried to get it right the first time and take it slow

C#m B A
Alabama singing in a hurry and don t know why

E
Black clouds and it starts to rain,

A
running short on time and outta faith

C#m B A E
Nothing you can do but pray for the sun to shine, on the Combine

Course

C#m B A
Every time I climb that ladder

C#m B A B C#m B A
It takes me back to things that matter (Woah Woah Woah)
