**Am F**  
You cast a spell on me

The first time I ever felt

your caress  
**Am F**  
I turned around to see  
**C**  
Love at first sight my  
**G5**  
princess

Verse 2:

**Am F**  
I stood there paralyzed

My heart had realized  
**C G**  
I had to make you mine

Bridge:

You, you left a mark

I shouldn't have feared

If our paths would be

crossing again  
**(F) G**  
You're mine `till the end

Chorus:

**Am F**

All my dreams became true

Can't believe that I've

finally found you

Without you by my side

Wouldn't know how to ever

**G**

get by

**Am F**

All my life I'll be true

There's no question my faith

**G**

is in you

**Am F**

I'll be there by your side

`cos in me you can truly

**G**

confide

Verse 3

**Am F**

I had everything I could ask

**C G5**

Except who I really needed

**Am F**

When I laid my eyes on you

**C G**

The path of my future revealed

**Am F**

Through all our days of sunshine and rain

**C G**

I'll be your guide through the joy and pain

**Am F**

I swear this sacred vow

**C G**

A promise to love you forever

You, you hold the key

Angel of delight

This promise I swear

Close `till the day when we die

`till death us unite
