Capo 1

D
If you see me in some corner looking like all hope is gone
G **D**
If you see me sit for hours and you wonder what is wrong
D **G**
Well, it hurts to talk about it but my world just fell apart
D **A** **D**
I m a walkin , talkin , cryin , barely beatin broken heart

D
Did you see the teardrops fallin and the tremble in my hands
G **D**
Then you ll know that there s a story and nobody understands
D **G**
It s a sad and lonely story but I ll try to make it short
D **A** **D**
I m a walkin , talkin , cryin , barely beatin broken heart

Chorus 1:

G **D**
Should you wonder how I got this way then listen, listen good
G **D** **A**
He left me for another, thought he d be the last who would
D **G**
So I m tryin to forget him, lookin for a place to start
D **A** **D**
I m a walkin , talkin , cryin , barely beatin broken heart

Chorus 2:

G **D**
You may wonder how I got this way then listen, listen good
G **D** **A**
He left me for another, thought he d be the last who would
D **G**
So I m tryin to forget him, lookin for a place to start
D **A** **D**
I m a walkin , talkin , cryin , barely beatin broken heart
