

The Bed You Made For Me
Highway 101

G

Darling were you listening when
C G
I called you late last night
C G
Or did the sleep get in your eyes
A D
Did it blind me from your sight
G
Or was she lying with you
C G
Was it hard for you to speak
C G
And did you tell her, she was sleeping
D G
In the bed you made for me

CHORUS

G
And did you tell her she was sleeping
C G
In the bed you made for me
D
Did she like my satin sheets
C D
And did you sing her to sleep
G
And my pillow that she slept on
C G
Did it bring her sweet dreams
C G
Did you tell her she was sleeping
D G
In the bed you made for me

G

The pillow that you made for me
C G
It was soft with feather down
C G
And the headboard, it came from an old house
A D
That was about to be torn down

G

And the songs you always sang to me

C **G**
Oh--wow to fall asleep
C **G**
Did they sound the same to her
D **G**
In the bed you made for me

(Repeat CHORUS)

(Instrumental) **C - G - D - G**

G
Now you can take my old pillow
C **G**
And throw it out the door
C **G**
You can buy another bed
A **D**
You can find another headboard
G
Cause I ain t gonna lie beneath
C **G**
Those satin sheets you tore
C **G**
The bed you made for me
D **G**
It isn t mine anymore

(Repeat CHORUS)

C **G**
And did you tell her she was sleepin
D **F C G**
In the bed you made for me-----
