Intro 4x: **G7+** **C7+**

G7+ **C7+**

Let us stop and think a while,

G7+ **C7+**

Let us walk instead of running a mile,

G7+

Coz things are moving way too fast,

C7+

Like life ain t going to last

G7+ **C7+**

Let us learn from nature

G7+ **C7+**

The seeds of life originator

G7+ **C7+**

The birds the bees and the trees

G7+ **C7+**

The streams of life, our dreams

Dm7 **G7**

Coz that s the way I do things, yea

Cm7 **F7**

Don t waste time with sad things

Dm7 **G7**

Ain t down with expectations, no deal,

Cm7

Coz I know what s real..

G7+ **C7+**

(I m smiling) That s just all I have to do

G7+ **C7+**

(I m smiling) Yeah and I seem to get through to you,

G7+ **C7+**

(I m smiling) Got all the answers I need,

G7+ **C7+**

No Talking just being me.

G7+ **C7+**

People say its all insanity,

G7+ **C7+**

While they themselves are sane,

G7+

But if insanity, is what feels good to me,

C7+

I m happy and there s no blame

G7+ **C7+**

People say I m always singing,
 G7+ **C7+**
 But I smile at them, coz it s joy it s bringing
 G7+ **C7+**
 Coz contemplation is the key,
 G7+ **C7+**
 That helps me see, (What others don t see)

Dm7 **G7**
 Coz that s the way I do things, yea
 Cm7 **F7**
