Verse 1:
F#
   Someone always gets their
E
heart stomped in the ground
B
This is what I say
     C#
Everytime I look around
F#
  I never thought that
         E
this would happen to me
       B
I never thought I d
         C#
end up this way
F#
  And now that you re
E
through with me
Don t know what

```
       B
to do with me
          C#
I guess I m on
          F#
my own again
Like I m some
             E
kind of enemy
          B
Never a friend to
                C#
me Remember when
                Bbm
you used to say
             B
Things will always
          C#
be this way

Chorus 1:
Why don t you
F#            C#/F
  Break my heart
Bbm          B
  Watch me fall
apart you see
F#                 C#/F
  I m falling apart
Look what you re
            B Bm
doing to me

Verse 2:
F#
  Now I try to get my
E
heart up off the ground
     B
My confidence is gone
     C#
Hapiness cannot be found
F#                    E
  So look what you did to me
             B
You got the best of me
             C#
And now I m stuck
                Bbm
with all the rest
          B              C#
```

It will never be the same

Chorus 2:
Why don t you
F#   **C#**/**F**
  Break my heart
Bbm   **B**
  Watch me fall
apart you see
F#   **C#**/**F**
  I m falling apart
Look what you re
          B Bbm
doing to me
Why don t you
F#   **C#**/**F**
  Break my heart
Bbm   **B**
  Watch me fall
apart you see
F#   **C#**/**F**
  I m falling apart
Look what you re
          B Bm
doing to me

Bridge:
Ebm   **Bbm**
  All I ever wanted
B
  Has looked me
 G#m   **Ebm**
standing here alone
                    Bbm
It started with you
                B
And ended with me
Ebm   **Bbm**
  All I ever needed
B   **G#m**
  I had it with
          Ebm
you in my arms
                  Bbm
It started with you
                B Bm
And ended with me

Chorus 3:
Why don t you

```
F#          C#/F
  Break my heart
Bbm         B
  Watch me fall
apart you see
F#                C#/F
  I m falling apart
Look what you re
          Bbm
doing to me
Why don t you
F#          C#/F
  Break my heart
Bbm         B
  Watch me fall
apart you see
F#                C#/F
  I m falling apart
Look what you re
          B Bbm
doing to me

Why don t you
F#          C#/F
  Break my heart
Bbm         B
  Watch me fall
apart you see
F#                C#/F
  I m falling apart
Look what you re
          B
doing to me

Outro:
Why don t you
F#          C#/F
  Break my heart
          B
Break my heart
Break my heart
          F#
Break my heart
          C#/F
Break my heart
          B
Break my heart
                F#(hold)
Break my heart
```
