A Cinderella Story  
Original Soundtrack

Beginning: [A A A A A]

Verse: Crash, that was you and me, started out  
so innocently. Shattered on the ground, I hear the sound.  
Crash, ringing in my ears, I still feel  
the sting of my tears.

Pre-chorus: Someone, wake me. I can't seem to break free.

Chorus: Go on, get outta my head.  
I'm on the wrong side of a parallel universe.  
Am I alive or just dead?  
I've been stumblin' in the dark, livin' in a crash world.

[A F C G]

Verse: Hush, don't say one more word. At this point  
the truth seems absurd. Cause who we were is gone forever.  
Crash, underneath the fears. Everything's so  
twisted and weird.

Pre-chorus: Someone, save me. I can't seem to break free.

[Chorus]

[A F C G] [A F C G]  
Crash world, yeah-ya.
