

Dangerous To Know Chords

Hilary Duff

1st verse

Em **C**
Some secrets need to be kept
G **B**
Some stories should never be told
Em **C**
Some reasons shouldn't be understood
G **B**
They just might turn your blood cold
pre chorus

Am **Em**
Who needs all the answers?
B **Em**
Who takes all the chances?
Am **Em**
Who said the truth's gonna save you?
B
When the truth can be dangerous

chorus

Em
Like the way I feel
C
It's all right to steal
G
What I need from you
B
Do what I have to do
Em
Say what I have to say
C
Go where I have to go
G
And that's dangerous
B **Em**
Dangerous to know

(repeat 1st verse chords)

I was a law unto myself
When you found me out on my own
Together nothing was sacred
Together we were alone

(repeat pre chorus chords)

Who needs all the questions?

Who lost their direction?
Who said a lie s gonna break you?
When a lie could be dangerous
(repeat chorus chords)
Like the way I feel
It s all right to steal
What I need from you
Do what I have to do
Say what I have to say
Go where I have to go
And that s dangerous
Dangerous to know

Am **Em**
Ignorance is bliss

B **Em**
You re safe when you resist

Am **Em**
There s no safety in a kiss like this

D
It s dangerous

B **Em**
So kiss me

B **Em**
Kiss me

(chorus x2)

Em
Some secrets need to be kept
