uhh...just play this thru out the whole song
it works.....and have fun..oh and here are the lyrics

I Can t Wait

How it happens
I don t care
If it s rainin
Or what I wear
I know today is taking me
Where I m meant to be
Doesn t matter where I go
With my boy shoes
And my rock star phone
I m waiting for a friend to call
Or the rain to fall

Life goes by
Who knows why

::Chorus::*:
I can t wait for the world to spin
I can t wait to be happenin
Ooh, What s it gonna take

I can t wait for the time to come
When I ll be shining like the sun
I can t wait (I can t wait)

Bum bum bum
Bum bum bum
Bum bum bum
Yeah

Everybody has their day
Where things just seem
To go their way

An angel s gonna
Smile on me
When it s meant to be
Cause anything s possible
No matter how incredible
You never know who I might meet
On this crowded street

Life goes on
Like a song

I can t wait for the world to spin
I can t wait to be happenin
Ooh, what s it gonna take

I can t wait for the time to come
When I ll be shining like the sun
I can t wait

I haven t got forever
And I haven t got all day
Ooh, I don t want my world to stay the same
So where s a magic moment
To carry me away

I can t wait for the world to spin
I can t wait to be happenin
Ooh, what s it gonna take

I can t wait for the time to come
When I ll be shining like the sun
I can t wait

I can t wait for the world to spin
I can t wait to be happenin
I can t wait

I can t wait
