Hilary Duff - Jericho

[Intro]

D (very long)

[Verse]

G **D**
Hop a fast train out of town

Bm **A**
Downside up and upside down

G **D**
Going fast is going slow

Bm **A**
What could have been we ll never know

G **D**
In this place that has no name

Bm **A**
I can t remember why I came

G **D**
And then I hear you whisper low

Bm **A**
One more mile to Jericho

G
Nothing is ever what it seems

D **A**
When you live inside you re dreams

[Chorus]

D
The walls will tumble

G
The walls will tumble

Bm **A**
But I m not gonna cry

D
My heart won t crumble

G
My heart won t crumble

Bm **A** **G**
If we ever say goodbye

[Verse]

G **D**
Everybody gets the joke

Bm
Where s the fire?

A
Where s the smoke?

G **D**
Money, love and jealousy

Bm **A**
Something s got a hold on me
G

But I will follow where you go

D **A**
One more mile to Jericho

[Chorus]

D
The walls will tumble

G
The walls will tumble

Bm **A**
But I m not gonna cry

D
My heart won t crumble

G
My heart won t crumble

Bm **A** **G**
If we ever say goodbye

[Brigde]

Bm
Goodbye now

G
Goodbye

Bm
One more mile
One more kiss

G
One more word
One more wish

And love will save us
This I know

A
From this place called Jericho

[Chorus]

D
The walls will tumble

G
The walls will tumble

Bm **A**
But I m not gonna cry

D

My heart won t crumble

G

My heart won t crumble

Bm **A**

If we ever say goodbye

D

The walls will tumble

G

The walls will tumble

Bm **A**

But I m not gonna cry

D

My heart won t crumble

G

My heart won t crumble

Bm **A**

If we ever say goodbye

The walls will tumble

The walls will tumble

If we ever say goodbye

My heart won t crumble

My heart won t crumble

If we ever say goodbye

The walls will tumble

The walls will tumble

If we ever say goodbye

My heart won t crumble

My heart won t crumble

G

If we ever say... goodbye

Goodbye...

Goodbye...
