

Now You Know
Hilary Duff

Hey, did my best to figure out this one. Not really a fan of Hilary but I kinda liked this song. Okay well, if you have any comments or questions my email is gcharlotte@comcast.net

Now you know (a cinderella story soundtrack)
Hilary Duff

C9 G2 Em7 G2

In these eyes
More than words
More than anything that I ve spoken
As the skies turned to gray
My heart s is just about to crack open

F#m E B A2

So the story goes
There s something you should know
Before I walk away
and I blow the ending

E B A2 E B A2 E B A2 C#m B A2

I never wanna be with out you
Oh no, here I go
Now you know
What I feel about you
there s no running
I must have been wrong to doubt you
Oh no , there I go
No control and I m fallen
So now you know

Feel so right
Craving oxygen
All this truth s left me empty
Will you run
Can you handle it
Cause I need you to tell me

Maybe this is bold
But I m hoping you ll stay for the happy ending

CHORUS

Bridge
Am C Am C

No I won t look back
When I tell you what I think about you
No I won t look back
When I tell you what I think about you

So the story goes
Yeah
You already know
So don t be a fool
And go spoil the ending
