Verse 1:

**F#m**

From the minute that you  
walked right trough the door  
Thoughts are racing in

**Bm**

my mind, time to explore  
I told my friends that

**A** **G#**

I just gotta have him

**F#m**

But donâ€™t look now cause  
I see you staring at him

**F#m**

Then my vision had him  
walked on in the sides  
On a mission, for position

**Bm**

at the end of the night  
Itâ€™s like a pray playing

**A** **G#**

games with the hunter

**F#m**

Nowhere to run boy  
time to surrender

Refrain:

**G#** **G**

And all I need is to feel you  
(hold)

All I want is to feel you

Chorus:

**F#m**

Reach out and touch me  
(Before I go insane)  
Reach out and touch me  
(Boy don t you make me wait)

**Bm**

Iâ€™m a diamond

**A** **G#**

youâ€™re so on the money

**F#m**

Reach out and touch me

**G#** **G**

And all I need is to feel you  
Reach out and touch me

Verse 2:

**F#m**

Like a pray your touch  
can take me there  
Ainâ€™t no mind, you and

**Bm**

me in a secret affair  
Oh boy youâ€™re killing me

**A** **F#m**

and you donâ€™t even knowing

**F#m**

Try to hold back but  
I canâ€™t control it

**F#m**

So Iâ€™m stepping to you  
skip the â€•How ya doing ?â€•  
Grab your hand and pull  
you closer to me yeah

**Bm**

Out the door slipping

**A** **G#**  
then we start to kissing

**F#m**  
Boy youâ€™re invited  
to my fan-ta-ta-sy

(Repeat Refrain and Chorus twice)

Bridge:

**F#m** **G#**  
Baby, canâ€™t you see how

**G**  
youâ€™re affecting me

**F#m**  
Baby sensual

**G#** **G**  
physical fantasy

**F#m**  
Maybe faith brought

**G#** **G**  
the two of us close

**F#m**  
And now Donâ€™t you

**F#m**  
wanna donâ€™t you  
wanna donâ€™t you wanna  
donâ€™t you wanna  
Reach out and touch me

(Repeat Chorus twice)

Outro: **F#m**
