F **C**
That you kill the thunder
G
The worrying in my brain
E
Is giving me the strength
Dm **Bb**
To see right through the haze

[Chorus]

F **C**
Shine, come on and let it shine
G **Dm**
Light me up, make me feel alive
F **C** **G**

The sound of your voice

Light me up, make me feel alive
You ve got what it takes (Shine for me today)

To lift my spirit off the ground
And chase those clouds away

You re underneath my wings
So I won t freefall out of the sky
You re always there to save me
You know you save me
