

**Someones Watching Over Me**  
**Hilary Duff**

[Intro]

A, Am..

[Verse]

A                      F#                      B                      G#                      F#  
Found myself today, oh I found myself and ran away  
A                      F#                      B                      G#                      F#  
Something pulled me back, voice of reason I forgot I had  
                                 A                      B/Am  
All I know is you re not here to say what you always used to say  
                                 A                      Am                      B..  
But it s written in the sky tonight

[Chorus]

                                 E                      B  
So I won t give up, no I won t break down  
Cm                      B                      A                      B/Am  
Sooner than it seems life turns around  
                                 E                      B  
And I will be strong, even if it all goes wrong  
                                 Cm                      B                      F#..  
When I m standing in the dark I ll still believe  
A                      B/Am                      E..  
Someone s watching over me

[Verse]

A                      F#                      B                      G#                      F#  
Seen that red light, and it s shining on my destiny  
                                 A                      F#  
Shining all the time, and I won t be afraid  
                                 B                      G#                      F#  
To follow everywhere it s taking me  
                                 A                      B/Am  
All I know is yesterday is gone, and right now I belong  
                                 A                      Am                      B..  
To this moment to my dreams

[Chorus]

E                      B

So I won't give up, no I won't break down  
Cm B A B/Am  
Sooner than it seems life turns around  
E B  
And I will be strong, even if it all goes wrong  
Cm B F#..  
When I'm standing in the dark I'll still believe  
A B/Am E..  
Someone's watching over me

[Bridge]

Cm  
It doesn't matter what people say  
B  
And it doesn't matter how long it takes  
A B/Am..E  
For leaving yourself and you'll find  
E Cm  
And it only matters how true you are  
B A..  
Be true to yourself and follow your heart

[Chorus]

E B  
So I won't give up, no I won't break down  
Cm B A B/Am  
Sooner than it seems life turns around  
E B  
And I will be strong, even if it all goes wrong  
Cm B F#..  
When I'm standing in the dark I'll still believe

E B  
So I won't give up, no I won't break down  
Cm B A Am/B  
Sooner than it seems life turns around  
E B  
And I will be strong, even if it all goes wrong  
Cm B F#..  
When I'm standing in the dark I'll still believe  
A Am/B A B/Am A Am/B  
E..  
That someone's watching over, someone's watching over, someone's watching over  
me

Yeah yeah

Cm B A/E..  
Oh oh someone's watching over me
