Verse 1:

F-Am-Em-C-Dm-Am-F-G (2x)

When all the papers lie
some people die
some people fight
and some people cry
is love such a crime
its been a long long time
i heard them testify
for a single dime

Who s gonna save us now?

Who s gonna save us now?
Who s gonna save us now?

When all is said and done
still you hold this gun
you never learned to run
oh just let them come

we re never backing down
and when you hear the sound
there ll be bodies all around

C-Bm-Am-E-Dm-G
C-Bm-Am-E-F-Bb-C

Who s gonna save us now?
it s been a lonely road
Who s gonna save us now?
Who s gonna save us now?

Bridge:

Dm-G-Dm-F-G

So wake me up before its over
i wanna see it all in color
waiting till they give the order
say they ll do someday

Adlib(Chorus Part - Susundan yung bit ng two times)

Ewan ko lng kung tama to. Pero check nyo lang sakín kung may mali dito. Gagawin ko lahat ang akong makakaya. Pinakinggan ko yung tono then kinapa ko sya sa gitara. :)

Remember : Power chords po ang gamit nito. Pwede po rin ang basic chord. Kaya nga lang gumamit sila ng power chords ang Bandang Hilera eh. ;)

Salamat po. ^_^
