[Intro]

D F#m D A E

[Verse 1]

D   F#m
 When waters rise all around me
D   A   E
 When mountains stand in the path I see
D   F#m
 I look to love that s unfailing
D   A   E
 I look to grace that is all I need

[Pre-Chorus]

      Bm
Oh call
F#m   E
Call upon the Name
        Bm
Jesus Christ
     F#m   E
The only Name that saves

[Chorus]

     D   A   E
For there is no one like our God
        A/C#   D
There s no one like our God
        A   E
There s nothing that can stand against You
A/C#   D   E
There s no stronghold You can t break

```
    F#m                      A/C#
No life that You can t save
      D         E
Our God You never fail

[Interlude 1]

D F#m D A E

[Verse 2]

D                                     F#m
 Your light will shine through the darkness
D                             A       E
 Your word will calm every crashing wave
D                         F#m
 My hope it lies in Your promise
D                         A       E
 My faith it stands on the empty grave

[Pre-Chorus]

    Bm
Oh call
F#m               E
Call upon the Name
        Bm
Jesus Christ
      F#m             E
The only Name that saves

[Chorus]

     D        A                 E
For there is no one like our God
        A/C#              D
There s no one like our God
         A                   E
There s nothing that can stand against You
A/C#          D                     E
There s no stronghold You can t break
    F#m                  A/C#
No life that You can t save
      D         E
Our God You never fail
