v2. (repeat pattern)

For all the times
I wore myself pity
Like a favorite shirt
All wrapped up in that hurt
For every glass I saw
I saw half empty
Now it overflows,
Like a river through my soul
For every doubt I had,
I m finally free
And I truly believe

Chorus

D **Am**
In your arms I m someone new
D **Am**
With every tender kiss from you
G
I must confess
C **D**
I ve been blessed
