

**Age To Age His Glory Appears**  
**Hillsong United**

Hi. I needed the Chords for this song.

But the ones I found were all wrong, so I set to work.

These are correct. I didnt add the 7 s to the chords (e.g. Bm7 and F#m7). Have fun playing.

**D**                    **Bm**                    **F#m**  
You gave me hope, you made me whole--  
                  **G**            **D**  
at the cross.

**D**                    **Bm**                    **F#m**  
You took my place, you showed me grace--  
                  **G**                    **Asus4** **A**            **D**            **Dsus2**  
at the cross where you died for me

Chorus:

**G**            **F#m**                    **A**                    **Bm**  
And his glory appears, like the light from the sun  
**G**            **F#m**            **Asus4**            **A**  
Age to age he shines  
                  **G**                    **F#m**  
Oh, look to the skies  
**Em**                    **Bm**  
Hear the angels cry  
                  **F#m** **A**            **G**  
Singing holy is the Lord.
