Very great song.. it sounds almost like love itself.. :D  
There are actually almost no guitars in the song (strings, i believe), so these are just  
for all those who want to sing this in devotions.

Heaven

I need Your Love

Like the desert needs the rain

I need Your touch

**Am**

Like the fire needs the flame

**D** **Em** **C**

One moment without You near

**Am** **D**

Is heartache I cannot bear

A lifetime with You O Lord

Heaven

VERSE:

**G**

Come over me
