Intro: **Am** " **F** " **C** " **G**

Am

Your love's enough to see the

F

broken hearts

C

Gain a brand new start with a

G

brand new heart

Am

F

As the faithful hope in things unseen

C

You're enough to see all the things

G

they dream come to life

We're living in the Saviour today

And this day is what we have now

In this moment we have chosen to praise

And it's changing how we live now

CHORUS:

C

Am

Your love it broke my fall

F

It's more than enough and I need it

G

Cause I've never known better

And I'll never know better

Your love's enough to see

the humbled man

Find the cause of Christ

With his outstretched hands

As the cripple grabs his mat to walk

You're enough to save him

from the pain He bore

This love will see me soar

Bridge:

Am

F

Am

My Saviour

You'll never let me go

G
