Aftermath (2011)

Very bare bones, but I think it s basically all correct. Leave comments and corrections!

Drop tuning down 1 half step

[Verse 1:]

C

Let all the earth declare Your Name*
Voices resounding heaven s fame

Bb **Fmaj7** **C**

Our God be praised forever

[Verse 2:]

C

Flood all the earth with endless light
Raise up the streets from death to life

Bb **Fmaj7** **C**

Our God be praised forever

Bb **Fmaj7**

Oh God be praised

[Chorus:] (I believe it s just power chords here. Don t play a full Am, just an A5, maybe)

C

Come let Your glory arise

G **F**

And shine as the nations collide with Your story

C

Love overtaking our lives

G **Am** **F**

Arise as our hearts come alight with Your glory

[Verse 3:]

Let all injustice shut it s mouth
As we join our hearts and start to shout
Our God be praised forever
Oh God be praised

Chorus

Synth plays - **C G Am F** 2x

[Bridge:] (Not 100% sure here. It sounds like maybe a C2 chord played with the bass descending. Let me know what you think)

C2 **C2/Bb**

Be unto Your Name

C2/A

All glory and honour

Singing holy is our God

C2

Holy is our God

Your life on display

Your strength in our weakness

Singing holy is our God

Holy is our God

How great is Your love

How great are Your ways

There s nothing we want more

But to live for You God

There s no other Name

More worthy of praise

Jesus let Your love be known

Chorus
