See the sun now
Bursting through the clouds

Black and white
Turn to colour all around

All is new
In the savior I am found

This is living now
This is living now

You take me higher
Than I ve been before
It s your perfect love that sees me soar
God your freedom is an open door
You are everything
I want and more

You lead the way God
You re right beside me
You turn the night into day
There s nothing like living with you
This life you created I choose
