

**Beautiful Exchange**  
**Hillsongs**

[Intro]

**Bm A G D**

[Verse 1]

**Bm**

You were near

**D/F#**

Though I was distant

**G**

Disillusioned I was

**D**

Lost and insecure

**Bm**

Still mercy fought

**D/F#**

For my attention

**G**

You were waiting at the door (let ring ^)

Then I let you in

**Bm A G D**

[Verse 2]

Trading your life

For my offenses

For my redemption

You carried all the blame

Breaking the curse

Of our condition

Perfection took our place

[Chorus]

**Bm**

**D/F#**

**G**

**D**

When only love could make a way

**Bm**

**D/F#**

**G**

You gave your life in a beautiful exchange

[Verse 3]

My burden erased

My life forgiven

There is nothing that could take this love away

And my only desire and sole ambition

Is to love you just the same

[Chorus]

(Same as previous)

When only love could make a way

You gave your life in a beautiful exchange

When only love could break these chains

You gave your life in a beautiful exchange

[Bridge]

**A**

**G**

Holy are you God

**Bm**

**D**

Holy is your name

**A**

**G**

With everything Iâ€™ve got

**Bm**

**D**

My heart will sing how I love you
