

Christ Is With Us
Hillsongs

believe many people will be looking for this song. this is just chords that i figure out, may not be 100% but pretty close i guess.. im sorry the placing of the chords looks weird but i don t know how to change them..

(Verse 1)

C

For we know the truth

F

Your truth has set us free

C

With your name alone

F

We have been released

Am

F

You are here with us, You are here with us

We are slaves no more

Freedom is our hope

Never looking back

Jesus You are Lord

We give all to You, we give all to You

(Chorus)

C

G

Where the spirit of the Lord is

Am F

There is freedom

C

G

Where the spirit of the Lord is

Am

F

Chains are broken, eyes are open

C

G Am

F

Christ is with us, Christ is with us

(Verse 2)

Whom the Son set free

He is free indeed

For our sin is gone

We have been redeemed

Jesus paid it all, Jesus paid it all

(Bridge)

C

Open wide the gates of heaven

Am

Fill our hearts as we surrender

F

Lord let your presence fall

G

Lord let your presence fall

C

Open wide the gates of heaven

Am

We will worship You forever

F

Lord let your presence fall

G

Lord let your presence fall
