And if I had wings I would fly you re all that I need ,you are
 E                                C#
And if the world caved in around me
    G#                F#
To you I d still hold on
    C#
