Intro: **G** (x2) **Em7** **C** **CM7**

1.

**G**

All the earth come alive

**Em7** **C** **CM7** **G**

Lift your eyes to the morning

Let our hearts beat again

**Em7** **C** **CM7** **G**

With a lifeblood that never fails

**Em7** **C** **CM7** **G** **Em7** **C** **CM7**

Your love it will never fail

**G** **Em7** **C** **CM7** (X2)

2. (repeat above chords)

Breaking down the divide

In a holy collision

The divine in disguise

Took the cross for our sins and shame

Our God You will never fail

3. (repeat above chords)

See the lost in return

Swing the doors ever wider

See the tide as it turns

Love and mercy is on the rise

As the world folds into your light

All creation will see your light

4. (repeat above chords)

Hear the sound of freedom rise

As our song breaks the silence

Echoing the angel cry

Let us lift up Your Holy name  
Hereafter to sing your praise  
Forever and ever

Chorus.

**G**

We will hold, we will love,

**Dsus2/F#**

We will fall in surrender

**Em7**

We will rise, we will run,

**Cadd9**

**G**

We will live to declare your name,

**Dsus2/F#**

**Em7**

Forever to bring you praise,

**Cadd9**

**G**

**Em7**

**C CM7**

Forever we ll lift up your name

**G**

**Em7**

**C CM7**

5. (repeat verse chords)

The universe on its knees

See the stars in surrender

God above kings and queens

Every idol will bend and break

But our God You will never fail

Forever and ever

C2. (repeat chorus chords)

We will hold, we will love,

We will fall in surrender

We will rise, we will run,

We will live to declare your name,

Forever to bring you praise,

Jesus, Jesus

We will hold, we will love,

We will fall in surrender

We will rise, we will run,

We will live to declare your name,

Forever to bring you praise,

Forever we ll lift up your name

Bridge.

**G**

Swing the doors wider

**Dsus2/F#**

Sound the praise louder

**Em7**

All our hearts cry out

**Cadd9**

**Em7**

For the glory of your name

**Dsus2/F#**

**Cadd9**

Our God You will never fail  
Jesus, Jesus
