

The Wonder Of Your Love Hillsongs

hey i was just mucking around on the guitar and made theses chords up for this song
been singing at Hillsong. I play it using just the top 4 strings, if you play the top 2
with your index finger and the middle 2 with your pinky and the one next to it, its easy
just slide up and down without moving your finger positions. this is my first tab so
its cool.

Capo 2 or open
Hillsong
The wonder of your love

VERSE 1
