and the third time end on **F, C, E**, and repeat intro 2x

Verse 2 - same as verse 1

interlude and then chorus again

well I think that s all ;))) you ll have to listen to the song for the timing;) I have
work on the intro a little bit more to make it perfect and probably i ll tab my
version
I ve played the song by ear and I think it sounds about right. This is my first
tab and
you have any corrections my email is dwyane_wade1989@abv.bg enjoy
