

Face Of God

HIM

Alright... this is song is pretty easy to play once you get it....I m surprised no one get this anyway here it is.

Standard Tuning

Intro:

12x(fast) (I think) 4x(faster than before than before) Repeat this 7 times

D--2-----0-|
A--2-----1-|
E--0-----|

Verse:

I Kinda didnt get it that much but what I have is good enough trust me

[--Em-][-G-] [-Em-----|[-D-][-C-][G]
[-Em-][-D-] [D]

----0----0----0--0---2---0---0---0---2---3---2-----|
---2-2--0-----0-----2-----0-----3---0-----|
-----2-----3-----2-----5---0-----|
---0---3-----3---0-----5---0-----|

prechorus:

C G D GGG C (play those chords)
I d kill to share your pain
(And carry the shame)

C G D Em
And sell my soul for you just to say

Chorus:

(play the intro here until said so)

I dream what you re dreaming
And feel what you re feeling

C G
Love s our shadow on the wall

D Em
With the face oooooo000ooo000f god

Interlude:I got lazy and didnt do a very good job on this but is sounds good
(this is all in Em) Repeat this as many times as it is played

D--2-let ring--2/4--0h2-2-2/4--0h2-|
A--2-let ring-----|
E----let ring-----|

(Rythm)

Interlude : Just play Em like this(-v--vvvvv-vvvv--) U have to mute this ok
figure out your own way onto how to change notes when you get to the pre.
