

In Venere Veritas

HIM

Note: the original tune is Fm, but I found easier to play with these chord. You can put barrÃ" on I taste to have the original tune. I did it.

[intro]: **Em D**

C **D** **Em**
Let s fall apart together now

Em **G** **C** **Em**
Zipping Cupid in a body bag well-worn

Em **C D**
Next to the Mausoleum he was born in

Em **G** **C** **Em**
Picking up the pieces in this gory glory of it all
From Eve to mo(u)rn

D
From Eve to mo(u)rn

[CHORUS]

D **C G**
Have no fear

D (**Em**)
There are wounds there are not meant to heal

D **Em**
And they sing, in venere veritas

D **C G**
Come inside

D **Em** **D** **Em**
Let the fire burn you alive and sing, baby , sing

D **C** **G**
There are wounds that are not meant to heal at all

D **C G**
In venere veritas
