In our diabolikal rapture we live on and on  
And death keeps knocking at our door

```

```

So we open the door and we die a bit more  
We re in love with with death and we die on and on

**Dm**

Won t you close our eyes

live for in this world

Oh how I wait for the day your heart burns

In these heavenly flames I ve already scorched in

I just want you to know I ll always be waiting
