

## Resurrection

HIM

C Em  
There was a time  
G C  
When I could breath my life in you  
Em  
One by one  
G C  
Your pale fingers started to move  
Em  
And I touched your face  
G C  
And all life was erased  
D  
You smiled like an angel  
(Fallen from grace)

Chorus:

Em C G  
We ve been slaves to this love  
D Em  
From the moment we touched  
C G  
And keep begging for more  
D Em  
Of this resurrection

Em C G  
We ve been slaves to this love  
D Em  
From the moment we touched  
C G  
And keep begging for more  
D C  
Of this resurrection

Em  
You kissed my lips  
G C  
With those once cold fingertips  
Em  
You reached out for me  
G C  
And oh how you missed  
Em  
You touched my face

**G** **C**  
And all life was erased

**D**  
You smiled like an angel  
(Fallen from grace)
