Tears On Tape

Intro: [ **A E F#m E D E F#m E** ] x2

**F#m**

Church bells toll

**F#m**

Thunder roars around me

**D A E**

I ve been warned to prepare myself

**F#m**

For the fall

**A D**

I m armed to the teeth with tender pain

**F#m E**

Of all yesterdays

**A E**

Tears on tape

**F#m E D**

I will follow into your heart

**E F#m E**

Sketching rain from afar

**A E**

Tears on tape

**F#m E D**

She surrenders needle in arm

**E F#m E**

While we dance into the storm

**F#m**

Darkness falls

**F#m D**

Settling the score with love for once and for all

**A E F#m**

Soaked in blood I cry

**A D**

I fear we re lost to the summer rain

**F#m E**

Lonely and afraid

**A E**

Tears on tape

**F#m E D**

I will follow into your heart

**E F#m E**

Sketching rain from afar

**A E**

Tears on tape

**F#m E D**

She surrenders needle in arm

**E F#m E**

While we dance into the storm

**E D E F#m**

And for a moment there s no pain

**E D E F#m**

For once there s no more pain in your eyes

**E D E F#m E**

And maybe we ll love, just enough

**D E A**

To convince us to keep breathing on
