VAMPIRE HEART

Dm **Bb** **Dm**
You can t escape the wrath of my heart,

Bb **F** **A**
beating to your funeral song

Dm **Bb** **Dm**
All faith is lost, and hell regained

Bb **F** **A**
In the dust of the wrath of shame, just be brave

Bb2 **F** **A** **Bb2**
?Let me wake in the sun, of my heart?

Bb2 **F** **A** **Bb2**
???, this path in the dark

Bb2 **F** **A** **F** **A**
Were I belong, until my feet go cold

Chorus

Dm **F** **Bb2** **F**
Hold me, like you held on to life,
Bb2 **F** **A**
When all fears came alive, and entombed me,

Dm **F** **Bb2** **F**
Love me like you love the sun

Bb2 **F** **A** **Dm**
Scorching the blood in my vampire heart

Dm **Bb** **Dm** **Bb** **F** **A**
Ill be the thorn in every rose you give sin my hope(no clue what it says)

Dm **Bb** **Dm**
i am the nightmare waking you up
Bb **F** **A**
from the dream the dream of love

Bb2 **F** **A** **Bb2**
let me read you this poem as heaven down on earth

Bb2 **F** **A** **Bb2**
And paint you my soul, scarred and alone

Bb2 **F** **A** **F** **A**
I wait for your kiss to take me home

CHORUS 2x
