I also tabbed Killing Loneliness if u wanted that

VAMPIRE HEART

Ebm **B** **Ebm**
You can t escape the wrath of my heart,
 B **F#** **Bb**
beating to your funeral song
Ebm **B** **Ebm**
All faith is lost, and hell regained
 B **F#** **Bb**
In the dust of the wrath of shame, just be brave

B2 **F#** **Bb** **B2**
?Let me wake in the sun, of my heart?
B2 **F#** **Bb** **B2**
???, this path in the dark
B2 **F#** **Bb** **F#** **Bb**
Were I belong, until my feet go cold

Chorus

Ebm **F#** **B2** **F#**
Hold me, like you held on to life,
 B2 **F#** **Bb**
When all fears came alive, and entombed me,
Ebm **F#** **B2** **F#**
Love me like you love the sun
B2 **F#** **Bb** **Ebm**
Scorching the blood in my vampire heart

Ebm **B** **Ebm** **B** **F#** **Bb**
Ill be the thorn in every rose you give sin my hope(no clue what it says)
Ebm **B** **Ebm**
i am the nightmare waking you up
 B **F#** **Bb**
from the dream the dream of love

B2 **F#** **Bb** **B2**
let me read you this poem as heaven down on earth
 B2 **F#** **Bb** **B2**
And paint you my soul, scarred and alone
 B2 **F#** **Bb** **F#** **Bb**
I wait for your kiss to take me home

CHORUS 2x
