1 A useless servant, I stand before Thee;  
For strength and firmness, now I do implore Thee  
Feeling my weakness, I come in meekness  
Cleanse my soul, O Father; hear my earnest plea!

2. A useless servant, I need correction;  
Teach me Thy will, Lord; help my imperfection  
With strength supply me, and sanctify me;  
By Thy love and mercy, I can be restored.

3. A useless servant, I m weak and failing;  
I need Thy help, Lord; evils are assailing  
Virtue I m pleading; comfort I m needing  
Grant me Thy compassion, is my humble plea.
