

**Better Than Me  
Hinder**

[Verse]

**Em**                    **D**                    **C**  
i think you can do much better than me  
**Em**                    **D**                    **C**  
after all the lies that i made you believe  
**Em**                    **D**                    **C**  
and guilt kicks in and i start to see  
**Em**                               **D**                               **C**  
the edge of the bed where you night-gown used to be

[Pre-Chorus]

**Em**       **C**                    **D**  
i told myself i wont miss you, but i remember  
**Em**       **C**                    **D**  
what it feels like beside you

[Chorus]

**Em**                               **C**  
i really miss your hair in my face  
**Em**                               **D**  
every word your innocence takes  
**Em**       **C**                               **D**  
and i think you should know this  
**D**(hold)  
you deserve much better than me

[Verse]

**Em**                               **C**                               **D**  
im looking through your old box of notes  
**Em**     **C**     **D**  
found thoes pictures i took that you were looking for  
**Em**                               **C**                               **D**  
if theres one memory that i dont wanna loose  
**Em**                               **C**     **D**  
that time at the mall, you amd me in the dressing room

[Pre-Chorus]

**Em**       **C**                               **D**  
i told myself i wont miss you, but i remember  
**Em**       **C**                               **D**  
what it feels like beside you

[Chorus]

**Em**                               **C**  
i really miss your hair in my face  
**Em**                               **D**  
every word your innocence takes

**Em**                      **C**                      **D**  
and i think you should know this  
you deserve much better than me

[Refrain]

**Am**    **C**  
the bed you laid in is getting colder  
**G**  
wish i would ve never said its over

**D**  
and i can t pretend

**Am**    **C**  
i wont think about you when im older

**G**  
cause we never had our closure

**D**  
this cant be the end

[Chorus] (x2)

**Em**    **C**  
i really miss your hair in my face

**Em**    **D**  
every word your innocence takes

**Em**    **C**                      **D**  
and i think you should know this  
you deserve much better than me
