

**Get Me Away From You
Hinder**

This my first tab. I d probably say this is 95% right this is the acoustic version, but if you wanted to play the album version put the capo on the first fret

INTRO RIFF

D

You past the point, Your bad for me

A

I must be drowning, Cause I can t breathe

Em

In this hotel room, Waiting for you,

G

It s getting kind of crazy what I m willing to do.

D

Your like the drug I ve grown to hate,

A

But love to much to walk away

Em

From this lonely room Waiting for you,

G

It s getting kind of crazy what I m willing to lose.

A.

G.

A

So what do I have to do?

G

To get me away from you,

Em

Get me away from you.

D

Something this wrong,

A

Feeling this right ain t helping me out tonight,

G.

Em

Get me away from you, Get me away from you...

INTRO RIFF, **A**, **Em**, **G**

D

It s way too late to change my mind,

A

I swear to God it s the last time

Em

I ll be holding you in this hotel room

G

It s getting kind of hard to find another excuse

A.

So what do I have to do?

G.

A

G

To get me away from you,

Em

Get me away from you.

D

Something this wrong,

A

Feeling this right ain t helping me out tonight,

G.

Em

Get me away from you, Get me away from you

Em

I ll pour a drink,

A

To help me forget,

G.

Em

But it drives me back to my one regret...

G.

Get me away from you.

Em

Get me away from you.

A.

So what am I supposed to do

G.

A

.

G

To get me away from you,

Em

Get me away from you.

D

Something this wrong,

A

Feeling this right ain t helping me out tonight,

G.

Em

Get me away from you, Get me away from you

INTRO RIFF, **A**, **Em**, **G**

Ohhhhh...

A.

What the hell am I supposed to do?!

D

To get me away from you

G.
