

Homecoming Queen

Hinder

C, G, F, C

C

Its been five years since Ive seen her face

G

Shes the holy ghost lost without a trace

F

And now were left with the what-ifs

C

Its been five years since she left for LA

G

Shes an angel with a dirty face

F

And it seems to me she s a casualty

(C)

of all the pressure

(G)

That we put on her

(F)

G F

And now we ve lost her for good

C

Its such a shame shame shame that our homecoming queen

G

Was a lot like you and a lot like me

F

And she never walked on water Guess no one really saw her

Intro (x1)

C

She was so adored by everyone

G

When it came to looks she was next to none

F

But loved partying and having too much fun

C

Then she hooked up with the wrong someone

G

And he promised everything under the sun

F

And it seems to me she s a casualty

(C)

of all the pressure

(G)

That we put on her

(F)

G F

And now we ve lost her for good

C

Its such a shame shame shame that our homecoming queen

G

Was a lot like you and a lot like me

**F**

And she never walked on water Guess no one really saw her

**C**

shame shame shame That our homecoming queen

**G**

Had a lot to prove and so many to please

**F**

Shes just somebodys daughter

**G**

**C**

Just looking for somebody to love her

**Dsus2**

**F**

Well I never knew you

**Am**

Wish I could ve saved you

**G**

From losers that drained you

**Dsus2**

Before you got strung out

**F**

With so much potential

**G**

**F**

**G**

How could you let us down... (down)

**C**

Its such a shame shame shame that our homecoming queen

**G**

Was a lot like you and a lot like me
