Nothin Good About Goodbye
Hinder

[Verse 1]
```
Dm                   C
  Rolled up my sleeves today
          Bb                    G
  Cause I thought that this was over
Dm              C
  But then you called to say
           Bb                    G
  You forgot that broach of your Mother s
```

[Refrain]
```
Bb                        C         Dm
  And every time I try to cut the cord
          Bb                     C
  You come crawlin  back with some excuse
      Dm      G         A
  You forgot something
```

[Chorus]
```
                           Dm
There s nothin  good about goodbye
                       Bb
I could swear I saw you cry
                 G                      A
Always knew you d wind up fa-fallin , fa-fallin  harder
                       Bb F C
Nothin  good about goodbye
                   Bb F A
Well just say goodbye
```

[Verse 2]
```
Dm                   C
  Rolled up my sleeves today
          Bb                 G
  Cause I thought that this had ended
Dm               C
  But then you called again
            Bb                     G
  To tell me how you re gonna blow my best friend
```

[Refrain]
```
Bb                        C         Dm
  And every time I try to cut the cord
```

```
             Bb                                    C
    You come crawlin  back with some excuse
          Dm       G         A
    You forgot something

[Chorus 2]
                                    Dm
There s nothin  good about goodbye
                          Bb
I could swear I saw you cry
                          G                         A
Always knew you d wind up fa-fallin , fa-fallin  harder
                    Dm
Every story has two sides
                      Bb
In a he said, she said fight
                      G                         A
Always knew you d wind up fa-fallin , fa-fallin  harder
              Bb F C
Nothin  good about goodbye
              Bb F A
Well just say goodbye

[Hook]
Bb          F          C
  Fa-fallin , fa-fallin  harder

   You re fallin  apart
Bb          F          C
  Fa-fallin , fa-fallin  harder

   You re fallin  apart
Bb          F          C
  Fa-fallin , fa-fallin  harder

   You re fallin  apart
Bb          F          A
  Fa-fallin , fa-fallin  harder

[Chorus]
                                Dm
There s nothin  good about goodbye
                          Bb
I could swear I saw you cry
                          G                         A
Always knew you d wind up fa-fallin , fa-fallin  harder
                      Dm
Every story has two sides
                      Bb
In a he said, she said fight
```

```
                          G                              A
Always knew you d wind up fa-fallin , fa-fallin  harder
                        Bb F C
Nothin  good about goodbye
                   Bb F A
Well just say goodbye
                      Bb F C
Nothin  good about goodbye
                   Bb F A
Well just say goodbye

[Outro]
Bb            F            C
  Fa-fallin , fa-fallin  harder

   You re fallin  apart
Bb            F            C
  Fa-fallin , fa-fallin  harder

   You re fallin  apart
Bb            F            C
  Fa-fallin , fa-fallin  harder

   You re fallin  apart
Bb            F            C
  Fa-fallin , fa-fallin  harder

   You re fallin  apart

Repeat Outro and fade out
```
