[Intro]

A A7 D Dm

[Verse 1]

A

Living for the past cause the future s gone

A7

Praying in the dark that you won t go home

D

I should have said it better

Dm

I should have set fire to her letter

A A7

Forayed by our own

D

Playing the dark, where we bore it all

It all makes sense in the center

Dm

All makes sense where I sent her

[Interlude]

A A7 D Dm

[Pre-Chorus]

A

But I could

Bm C#m D

Run to your apartment

D

A

Hope to get it started better than before

B

C#m

D

I could write it in a poem

Pretend I used to know you

Bm E A

Better than before

[Chorus]

Bm

A

Why is it I want to change for you

D

Why is it I want to see this through

Dm

Maybe I m sick of sleeping longer nights with lesser feelings

A

Maybe I m better off that way

D

Maybe I don t want to see you stay

Dm

But I m sick of sleeping longer nights with lesser feelings

A D

E

Sick of sleeping longer nights with lesser feelings

[Interlude]

A D

[Bridge]

A

Love from the west

D

Grinning mad, light blue and golden

A

Found at my best

D

I m a sucker for your glowing

A

Love from the west

D

Grinning mad, light blue and golden

A

Found at my best

D

I m a sucker for your glowing

[Chorus]

A

Why is it I want to change for you

D

Why is it I want to see this through

Dm

Maybe I m sick of sleeping longer nights with lesser feelings

A

Maybe I m better off that way

D

Maybe I don t want to see you stay

Dm

But I m sick of sleeping longer nights with lesser feelings

A

Why is it I want to change for you
