Intro- Just mess around with Am-E7/Em

G7 **C**
I live in a two demensional world,
G7 **G**
I can walk left, I can walk right.
G7 **C**
Here comes an evil-looking pixel mass,
G7 **G** **C**
I can choose to run or choose to fight.

There is a coin, up on a platform high,
I must dare the deadly climb.
If I am to get one hundred of these,
An extra life will be mine!

Am **E7**
I don t have a lot of options, you see,
G **D** **C**
Living in a world that s only 2-D.

The scenery is nice, but its always the same-
Mostly hills fences and trees.
At first its nice, but after a while,
You ll soon get tired of these, but

You don t have a lot of choices, you see,
Living in a world that s only 2-D.

Interlude-just bang around from Am to C and back a few times

Am **G** **D** **C**
 I used to live in reality with three demensions, too.
C **G** **D** **Am** **E7**
 I used to be a human, just like lots of you.
Am **G** **D**
C
 But a video addiction caused my fate, and I live inside a T.V.
C **D** **G** **Am** **E7**
Em
 So don t get caught in that video scam or you ll end up like me-
 2-D!

And you don t have a lot of choices, you ll see
 Living in a world that is only 2-D.
