Memories in blue - Hoffmaestro

Capo 2

Bm **G**
Where did I turn so wrong
Bm **G**
Time drags me along
A
Though I know just where I went
Bm
And my time was well spent
A **G**
I keep on coming back to you
A **Bm**
My memories in blue

Bm **G**
Sin will scorch your soul
Bm **G**
So we've all been told
A
Though I'm not an easy man to fool
Bm
And I always keep my cool
A **G**
I can't help but wondering if it's true
A **D**
Cause I got memories in blue

A **D**
Tears in her eyes
A **Bm**
The echo of her cries
G **D** **A**
They will ring out into the eternity
