

Boys On The Radio
Hole

F5 **C5**

Do what you want

F5 **C5**

Cause I ll do anything and

F5 **C5 G5**

I ll take the blame

F5 **C5**

What s mine is yours

F5 **C5**

You can t have all of it

F5 **C5 G5**

And I ll learn to beg

F5 **C5 G5**

All the boys on the radio

F5

They crash and burn

C5 **G5**

They fold and fade so slow

F5 **C5**

In your endless summer night

G5

I ll be on the other side

F5 **C5**

When you re beautiful and dying

C5

All the world that you ve denied

F5 **C5**

When the water is too deep

G5

F5 C5

You can close your eyes and really sleep tonight

G5

Tonight

F5 **C5**

I want what s yours

F5 **C5**

Oh I d give anything

F5 **C5 G5**

And I ll take the pain

F5 **C5**

I wait alone

F5 **C5**

For what will never come

F5 **C5 G5**
