D

Yonder stands your orphan with his gun

Em

G

D

Crying like a fire in the sun

F#

Look out, babe

A

The sky is falling through

Em

G

D

And it s all over now, baby blue

A G A G D

A

Leave your stepping stone behind

D

Girl start anew

A

Forget about the debts

D

They will not follow you

Em

G

D

Your lover who has just walked through that door

Em

G

D

Has taken all his blankets from your floor

F#

Look out, babe

A

The cup is throwing over you

Em

G

D

And it s all over now, baby blue

F#

Well strike a match girl

A

Go, go start anew

Go start anew

Em

G

D

And it s all over now, baby blue yeah

Em

It s all over

G

D

All over now, baby blue yeah

Em

It s all over

G
