

Phonebill Song
Hole

verses: **E5, A5, C5, D5**

E5,

chorus: **D#5, C#5, B5, C#5**

well i could really f**k you up yeah
im the demon buttercup
you like to spit to see the shine
i see the carcass in your eyes

before i go to sleep
get it away from me

in the demon whore house eyes
everything you look at dies
you gotta write the phonebill
caus im a loser buttercup

before i fall asleep
baby i dont know you

well i could really suck you in
and youde never see the light again
gotta write the phonebill
caus im a loser buttercup

before i just want more
baby i get bored
